Grumman® Canoes Limited Warranty

1. What is covered and for how long?

The hull of the Grumman® canoe is warranted against puncture for the life of the original customer for as long as he/she owns the canoe. In addition, the hull and all components installed during manufacture are warranted for a period of five (5) years from the date of original customer purchase against defects in material and workmanship.

2. What is not covered?

This warranty does not apply to the finish, whether painted or unpainted; whether the boat is in or out of the water; to deterioration or discoloration by chemical action; to damage caused by electrolysis or damage caused by using copper based or cuprous oxide paints.

3. Under what Circumstances will the warranty not apply?

- a. There will be no warranties whatsoever when the canoe is commercially used; when the canoe is altered or repaired by persons unauthorized by Marathon Boat Group; or where metal attachments other than bonafide Grumman® canoe accessories that are affixed to the canoe unless the attachments are first approved for use in writing by Marathon Boat Group.
- b. The warranty against hull puncture does not apply where the puncture occurs while the canoe is unoccupied; where the puncture occurs as a result of capsize and/or swamping; where the canoe becomes pinned against an immovable object by the force of the water; where the canoe is trailered or cartopped incorrect or where the canoe is towed behind a powerboat.

4. Where and how are warranty claims made?

All warranty claims must be made through an authorized Grumman® Dealer within 30 days after discovery of a defect and submitted on the standard Marathon Boat Group warranty claim form available from the dealership or the factory. Photographs illustrating damage, if any should accompany the claim. An inspection may be made within a reasonable time, by an authorized representative, after receipt of the claim. When a warranty claim is valid, Marathon Boat Group will repair, have repaired, or at its option replace the canoe free of charge. Freight charges, where applicable incurred in shipping the canoe for repairs or a replacement canoe are to be paid by the customer.

5. Limitation on the length of implied warranties
 - a. The implied warranties of merchantability and/or fitness for a particular purpose are limited in duration to the period of five (5) years from the date of original customer purchase.
 - b. Some states do now allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

6. Other important information
 - a. Marathon Boat Group does not, under any circumstances, assume responsibility for any incidental or consequential damages, including but not limited to loss of time, inconvenience, expenses for transportation and travel, telephone, lodging, loss or damage to personal property or loss of revenue. Some states do now allow the exclusion of incidental or consequential damages, so the above may not apply to you.
 - b. Marathon Boat Group reserves the right to make changes in the design and material of its aluminum canoes without incurring any obligations to incorporate such changes in units already completed or in the hands of dealers or consumers.
 - c. The entire obligation of Marathon Boat Group regarding the sale or rental of its canoes is stated within this written warranty. Marathon Boat Group does not authorize its dealers or any other person to assume for it any other liability in connection with the sale or rental of its canoes.
 - d. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
 - e. Section 15 of the Federal Boat Safety Act requires boat manufacturers to obtain certain data from the purchasers of its products. We cannot fulfill our obligation under this important act without your cooperation, would you therefore please complete the Product Safety Registration Card accompanying your canoe and return it to us at Marathon Boat Group as soon as possible. If you need assistance in completing the card, please check your local Grumman Canoe Dealer or contact us directly and we will gladly assist you.

This warranty covers all first quality Grumman® Canoes produced by Marathon Boat Group and sold at retail after August 1st 2000.
